TRADITIO ET EXCELLENTIA

UBB,

*your choice
for the future!*

This brochure lists the master's level degree programmes available at Babeş-Bolyai University for the 2025 admission.

Further information on the admission is available at <https://infoadmitere.ubbcluj.ro>. Please access from this website both the general information on the admission process and the information pertaining to the degree programmes. The information can be accessed on the main page from the "FACULTIES" menu. For further details, information on bibliography, specific criteria and tie-breaker criteria please visit the faculties' websites. The number of places – state funded and on tuition – is released by the Ministry of Education and by the University after the publication of this informative brochure.

Any updates to the present material, provided further regulations are issued by the Ministry of Education, respectively following the authorisation of new specialisations, will be promptly disseminated via all available means. The responsibility passes on the Admission Committees at the faculties and the Communication and Public Relations Department.
